

Special registration instructions for the 2021 season.

These instructions are ONLY for players who were registered in the 2020 season.

First, we hope everyone is safe and well.

Second, we would like to thank everyone for their patience!

-If the player was registered in the 2020 season as a 5-15 yr old, please check the box that says:

“This child registered with the Islip Little League LAST season.”

Do not send in payment for this player unless you want to donate last years payment to help defer the money lost. (player insurance, charter, etc...)

-If the player was registered in the 2020 season as a 4 yr old, please check the box that says:

“This child registered with the Islip Little League LAST season.”

A payment of \$45 is required *(to cover the normal \$95 registration cost that a 5 yr old would pay).*

-If the player is not returning and you would like a refund, please send an email to isliplittleleague@gmail.com stating the players name and address. Reimbursements will be sent once funds are available.

UNIFORM INFORMATION:

In an effort to stay safe this season we will handle “Uniform Pick Up” differently. All uniforms will be given to the Manager of the team, who will hand them out at practice. Please check the appropriate box on the Registration Form for shirt & pant size. We will do our best to meet everyone’s need.
